NOTE TO PRESS

Attached is the transcript of executive session testimony by General Maxwell D. Taylor, former Army Chief of Staff, who appeared before the Subcommittee on National Policy Machinery on June 14, 1960.

Because this portion of General Taylor's testimony related to the National Security Council, it was taken in executive session in accordance with the "guidelines" agreed to by the Subcommittee chairman and President Eisenhower last July. Those guidelines state that: "Any testimony by present or former government officials who have served on the National Security Council or its subordinate bodies regarding the National Security Council and its subordinate machinery will be taken first in executive session."

This testimony has been cleared for release in accordance with the procedures set forth in the guidelines.
